

# CALL FOR PARTICIPATION

## The 7th International Conference on Cognitive Systems ICCS 2005

**Self-Organization and Cognitive Systems**  
December 14-15 2005, New Delhi, INDIA

### Highlights

- ⌘ The conference has received papers from over twelve countries, making it a truly international conference
- ⌘ Get to hear a host of invited eminent Indian researchers speak on the relevance of self-organization in their respective domains
- ⌘ Attend a tutorial on Self organizing dynamical systems
- ⌘ Take part in a panel discussion on Self-organization and social systems
- ⌘ For the first time, the K-12 teaching community will be participating in the conference. Hear them as they share their experiences in implementing ICT initiatives at the grassroots
- ⌘ Involve yourself in the NIIT Corporate Exposition that will showcase the best and the latest offerings from NIIT.
